Founding Member, Mass General Brigham

John Hancock

Who am I running for?

Massachusetts General Hospital Department of Emergency Medicine offers full-service, state-of-the-art emergency care around the clock. Our doctors and nurses are equipped to handle any medical emergency.

What will your donation do?

- Funding for toolkits on disaster preparedness and effective response used by hospitals locally, nationally and internationally.
- Provide support for the MGH Center For Disaster Medicine which leads 80+ training exercises and drills on emergency preparedness.
- Support frontline responders with necessary resources and protective equipment.
- Support level 1 trauma and burn center for adults and children

You can make a difference today.

With the help of your generous donation, MGH can continue to be Ready When Seconds Count to deliver emergency care to patients locally and globally.

10th Anniversary
of the Boston
Marathon Tragedy.
