Who am I running for?

The Division of Pediatric Hematology and Oncology at Mass General for Children. This department provides personalized multidisciplinary, state-of-the-art care to children of all ages with malignancies and disorders of the blood.

What will your donation do?

- Improve the quality of life for young cancer patients and their families.
- Provide a therapeutic and comfortable environment for patients and their families.
- Help fund clinical and laboratory research for less toxic treatments for children with cancer.

You can make a difference today.

With the help of your generous donation, MGfC can continue Fighting Kids' Cancer...One Step At A Time by caring for children and their families around the world.
